INSTRUCTIONS FOR COMPLETING AN APPLICATION FOR AN EXTENSION OF TIME TO PREVENT A FORFEITURE

- A. The name of the owner of record is to be entered on the first line.
- B. The permit and certificate or claim of vested right number (proof of appropriation) and source of water are entered on the second line.
- C. The remaining blank spaces of the first part of the extension request are to be completed by adding the name of the person signing the application. The second space should be completed by adding the signee's authority, i.e., permittee or agent.

* * * *

- 1. Check the appropriate box regarding the certificate or claim(s). If you answered "No" list the party or parties you are representing.
- 2. If a center pivot was used and the corners of the field were not irrigated because of said center pivot check "Yes," if not check "No."
- 3. If non-use occurred on only a portion of the permit, certificate or claim then describe the place of use by 40 acre subdivision and number of acres not used within each 40 acre subdivision (supply map if necessary). If non-use occurred on all of the permitted, certificated or proof acreage then check "All."
- 4. Give the month and year the last time the water was used (put to beneficial use).
- 5. Describe by number of years and/or months the anticipated time before use will resume.
- 6. The State Engineer may grant an extension of time for good cause shown. The reasons given for requesting an extension of time should be fully explained with as much detail as possible (use an additional sheet if necessary).

The application must be signed by the person making the application and include his address and phone number in the space provided.

NOTE: Each application must appear with an original signature of the applicant.

The application must be properly dated and notarized.

A separate application for extension of time is required for each permit, certificate or claim.

* * * *

The Application for Extension of Time must be properly completed, signed, notarized and submitted to the Office of the State Engineer (Division of Water Resources) Capitol Complex, 123 W. Nye Lane, Carson City, Nevada 89706-0818, with the \$100.00 statutory filing fee on or before the due date as set forth in NRS 534.090.
